LARIZA DAMLJANOVIC

Mrs. Damljanovic is a highly personable and dedicated administrative professional with diverse work experience from various industries. Mrs. Damljanovic plays a pivotal role in steering the organization toward excellence. Her leadership and strategic vision contribute to Geo Forward's mission of providing cutting-edge solutions for environmental challenges.

In her capacity as Operations Director, Mrs. Damljanovic oversees every project to ensure they are executed seamlessly from inception to completion.

Mrs. Damljanovic's commitment to excellence is evident in her meticulous attention to detail, ensuring that Geo Forward's environmental engineering projects adhere to the highest standards of quality and sustainability. Her strategic acumen extends beyond daily operations, as Mrs. Damljanovic actively collaborates with cross-functional teams to drive innovation and optimize workflows.

Moreover, Mrs. Damljanovic is deeply committed to promoting environmentally conscious practices within the organization. Under her guidance, Geo Forward not only meets regulatory requirements but also exceeds them, reflecting a genuine dedication to sustainability. Her passion for environmental stewardship is reflected in the company's projects, which often set benchmarks for eco-friendly engineering solutions.

In essence, Mrs. Lariza Damljanovic's role as Operations Director at Geo Forward is marked by her excellence, commitment to sustainability, and visionary approach that propels the company forward.
